

# VOLUNTEER OPPORTUNITIES

Do you have time to share with the Michigan Chapter or a talent that you feel the Michigan Chapter could benefit from? If so we would love to hear from YOU! The Chapter is always looking for individuals and businesses that are willing to donate time and services. The following are just a few examples of volunteer opportunities that are available:

- Office work Monday – Friday from 9:00 – 3:00
- Assist with walk/run in Detroit at the Detroit Zoo in June
- Assist with the walk in Lansing in July
- Assist with the walk in Grand Rapids in September
- Volunteer for the “PUMPED” event on November 19<sup>th</sup> at the Club Venetian in Madison Heights
- Join the Board of Directors- they meet in Jan-March-May-July-Sept and Nov (meetings are 6:30p.m.- 8:30 p.m. in Southfield, MI) Meetings are held the third Tuesday of the month
- Join a committee- we have many so one may appeal to you!

## Committees

- Budget and Finance – help plan the budget for the Michigan Chapter
- Development – help plan the fund raising plan for the Michigan Chapter
- Advocacy – work with the Chapter on their advocacy efforts
- Walk Planning Committee – help coordinate the three state walks and runs
- “PUMPED” To Find A Cure - A Benefit for Scleroderma Planning Committee – help coordinate the plans for the “PUMPED” event

When joining a committee you will **NEVER** be asked to do more than you feel comfortable doing. You set your own limits and we promise to remain within those boundaries always. The Michigan Chapter will be respectful of your time commitment. We believe that family and your health comes first and we do not want you to ever feel overburdened with your volunteer commitment to our Chapter. It is our desire to have your role as a volunteer be a positive one. As a member of a committee you will meet new friends, have a fun experience and find that we are very well organized. We are looking to you to simply join our group and help us create new ideas so we can grow, expand and raise additional funds to help us in our quest to find a cure! Won't you call today and become a member of the Michigan
