

Greetings!

We'd like to take this opportunity to welcome you to the newly-created Central NY Scleroderma Support Group.

Everyone's journey with scleroderma is so very different. We've created this group in the hope that it will bring people together from all different walks of life, a place where we can form bonds of support and friendship.

We look forward to seeing you soon.

It's a great opportunity to meet old friends and make new ones.

Let's talk, learn and have vibrant conversations.

Special Attention

To help save money and time, and keep us green, send an email to sdtristate@scleroderma.org (with your email address) so we can put you on our email reminder list.

If you have scleroderma...
you need not feel alone!

Our Support Group Offers:

- Mutual support to people with scleroderma
- An opportunity to talk with others who have gone through similar health challenges
- A chance to share experiences, practical suggestions and ways of coping
- A welcome place to get information and learn from others in a warm and caring atmosphere
- Educational information provided by the Scleroderma Foundation

The mission of the Scleroderma Foundation Tri-State, Inc. Chapter is three fold:

To provide educational and emotional support to people with scleroderma and their families; to stimulate and support research designed to identify the cause and cure of scleroderma as well as improve methods of treatment and; to enhance the public's awareness of this disease.
