NEWSLETTER OF THE SCLERODERMA FOUNDATION ~ DELAWARE VALLEY CHAPTER December 2010

Team Scleroderma Marches in the 2010 IKEA Thanksgiving Day Parade in Philadelphia

Supporters of the SFDV were transformed into elves and reindeer in order to carry the Toy Train balloon in the 2010 Ikea Thanksgiving Parade in Philadelphia. Neither the cold, rain, snow, nor 6 AM start time deterred Team Scleroderma from getting the job done, or from having a great time doing it.

Thank you Maddy Quarto and John Rudolph for organizing this event and to our Thanksgiving Parade team – Charlotte Clark, Wendy Ferguson, Theresa Behan, and Yolanda and Christopher Small from Eastern High School in Voorhees, NJ.

Sign ups for the 2011 parade are already in progress. Contact the SFDV office at 866-675-5545 if you would like to participate in 2011.

Autoimmunity Center of Excellence - Thomas Jefferson University Hospital

The National Institute of Allergy and Infectious Diseases (NIAD) has awarded a multi-million dollar grant to Jefferson University Hospital as one of nine Autoimmunity Centers of Excellence (ACE) across the nation (www.autoimmunitycenters.org) The purpose of these centers is to bring together basic scientists and clinicians to evaluate the safety and efficacy of cutting edge treatment strategies for autoimmune diseases. Dr. Sergio Jimenez, Associate Director of the Jefferson ACE, will be conducting the clinical and research studies on scleroderma. Stay tuned for more information in 2011.

Parading Scleroderma Awareness on the Fourth of July!!

THE PRESIDENT'S Bit

The Board of Directors participated in our annual planning meeting in December to consider our activities for 2011 and our goals looking forward into the next 3-5 years. In doing this, we reflected on our current activities and how they met the needs of our foundation members. *Suggestions are always appreciated.* Each year as we look at all we have done, I am thankful for the board members and the many that volunteer their time to our organization and **make these activities happen!**

A recap of our activities in 2010 highlights the efforts toward supporting our mission and serving the scleroderma community:

January – Annual Appeal, Community Day at GlaxoSmithKline, *Pursuit* newsletter

February – Lamberti's restaurant fundraiser

March – Scrapping for Scleroderma, Education Conference

May – Delaware Run/Walk, Tyler Park Health Fair

June – Shore Walk, MacCutcheon/Lacy Golf Tournament, Community Day at GlaxoSmithKline, *Pursuit* newsletter

July – Phillies baseball game for awareness, radio interview in York, PA to promote awareness and upcoming walk

August – York Walk, 215 Golf Tournament

September – Holy Family University Health Fair, Camden County Women's Health Conference, Teri's Run, PECO Lights

October – Philadelphia Walk, Education Conference with Tri-State Chapter, Cable TV interview for awareness

November – Thanksgiving Day parade

December – Planning meeting for 2011, *Pursuit* newsletter

A special thank you to those individuals in the community who initiated and successfully held fundraising events to benefit the Scleroderma Foundation in 2010: MacCutcheon/Lacy Golf Outing, Scrapping for Scleroderma, 215 Golf Tournament and Teri's Run. Most of these have become annual events and contribute immensely to our awareness and fundraising efforts.

The Delaware Valley Chapter is responsible for imparting the mission of the National Scleroderma Foundation in southern and central NJ, eastern and central PA, and Delaware. We are the only active chapter in this area and are based in Cherry Hill, NJ. Our chapter manages 12 support groups throughout this designated area and a weekly e-mail support group that has approximately 40 members. Our Foundation staff, Chris Gaydos, Colleen Ferrara, and Nancy Aichholzer bring heart and proficiency to our operations throughout the year. They are in the office Monday through Friday to service our members. If you haven't done so, give them a call and introduce yourself.

The Scleroderma Foundation Delaware Valley Board of Directors seeks new members in an ongoing fashion. Most all of us have had or have a personal connection with someone afflicted with scleroderma, although that is not necessary to join our Board. Individuals constituting a variety of work experiences and backgrounds are desirable for Chapter growth. Everyone has an attribute that can add to the versatility of the Board. We feel a great deal of satisfaction from our contribution as board members and have established long-lasting friendships as a result. Please contact us at 1-866-675-5545 or 856-779-7225 for any interest you may have to become part of our Board.

Respectfully submitted: Susan Pierce, President Scleroderma Foundation Delaware Valley Chapter

Golf News

Bruce MacCutcheon Marilyn Lacy Memorial Golf Classic

The Annual Bruce MacCutcheon Marilyn Lacy Memorial Golf Classic was held on June 14, 2010, at Rossmoor Country Club in Monroe Township, NJ. The MacCutcheon and Lacy families have been holding this tournament for over 10 years in memory of their father and mother, Bruce and Marilyn, who were both lost to scleroderma. The support and generosity of their friends and family who come out every year has been remarkable this year netting approximately \$13,000 to the SFDV.

The SFDV is extremely grateful to everyone involved with the MacCutcheon Lacy Golf Classic and thankful for their continued support.

York Walk 2010

On August 14, 2010, 170 walkers came out to John Rudy Park in York, PA, to participate in the 6th Annual "Stepping Out To Cure Scleroderma" Walk.

All those who participated received t-shirts and enjoyed a post-walk barbeque. Our raffle prizes and 50/50 raised over \$500 – many thanks to those who obtained raffle items or donated items themselves. This year's walk was in memory of Don Terrell who will be greatly missed. As always the scleroderma community gave generously and has raised approximately \$21,000 to date. Tori Anderson and WAYZ FM radio carried out an awareness campaign with on-air interviews and Public Service Announcements throughout central and southern Pennsylvania, as well as Maryland.

We would like to thank all of our sponsors:

Actelion Pharmaceuticals
Giant Foods
WAYZ Radio

Award plaques were given out to the teams with the most walkers, as well as the teams who raised the most money at the 2009 walk.

Teams with most walkers: **First Place:** Team Valentin, **Second Place:** Debs Crusaders, **Third Place:** High Noon Platoon

Most money raised by a team in 2009:

First Place: Kay's Krew \$3635, **Second Place:** Team Wendy \$2254, **Third Place:** Jody's Gang \$1346

Carrying out this event is truly a team effort and only possible through the efforts of our volunteers. **Thank you!**

Walking in Manasquan 2010

The 10th Annual “Stepping Out To Cure Scleroderma” Walk at the Jersey Shore was held on June 6, 2010, in Manasquan, NJ. The Manasquan Beach Walk was transformed into a sea of blue and white T-shirts on a picture-perfect day. The 234 walkers and approximately 30 volunteers who participated created awareness and raised money supporting the SFDV and its mission of education, support, and research.

Our volunteers arrived at 7 AM and worked like a well-oiled machine picking up supplies, putting up signs, tents, and tables, and setting up the registration, refreshment, information, promotion, and t-shirt tables. We thank everyone for helping make the day enjoyable for all and for making the walk a success.

Many thanks to our sponsors and supporters including **Actelion Pharmaceuticals, A. Bailey Plumbing & Heating, Wegmans Ocean, Ocean Trophies, and Spring Lake Freezer**. We also want to say thank you to **Patrice Pearce and her co-workers** from Monmouth Medical Center who built a balloon arch despite the persistent wind and running out of helium. We thank our 50/50 winner, **Mary May**, for donating her winnings back to the SFDV. Lisa Williams’ Girl Scout troop has been helping at the walk as long as anyone can remember. This year one of her girls, **Stephanie Marie Hanvey**, a talented young recording star, sang the Star Spangled Banner at the start of our walk. We thank Stephanie and her fellow girl scouts including **Amber, Chiara, Lisa, Katy, Alison, and Eve** for continuing to support Lisa’s Team and the Shore Walk. **Bar Anticipation** in Lake Como and the SFDV hosted a post-walk barbeque and we thank them for continuing to provide a place where everyone can unwind after the excitement of the day.

The Shore Walk was featured in an article published by the Coastal Star on June 10, 2010. **Jamie Biesiada** who reports for the Coastal Star wrote about scleroderma and the Stepping Out To Cure Scleroderma Walk, and interviewed several participants. We thank Jamie for helping us make the public aware of scleroderma. Copies of the article can be obtained at the Coastal Star office in Manasquan or by contacting the SFDV office at 866-675-5545.

We are grateful to all of our teams and supporters and are happy to have recognized our teams with the most walkers in 2010 and highest donations in 2009.

Most Walkers 2010:

- 1st Place Jenny’s Journey
- 2nd Place Grandma Doris’s Kids
- 3rd Place Gordon’s Team

Most Money Donated in 2009

- 1st Place Helen’s Angels \$6645
- 2nd Place Team Rapolla \$2681
- 3rd Place Grandma Doris’ Kids \$2372

More photos from the day can be seen at http://www2.snapfish.com/snapfish/thumbnaillshare/AlbumID=2513300023/a=1056021023_1056021023/otsc=SHR/otsi=SALBlink/COBRAN_D_NAME=snapfish/

Philadelphia Walk October 10, 2010

The 21st Annual “Stepping Out To Cure Scleroderma” Walk was held on October 10, 2010. October did not disappoint with perfect weather and 760 registered walkers who came out to support the scleroderma community and the Scleroderma Foundation Delaware Valley Chapter. This year 26 teams attended in person to walk along Boathouse Row in Fairmount Park. To date, the 2010 Philadelphia Walk has raised approximately \$80,000 to support education, public awareness, support group programs, and funding for research. Awards were presented to the teams with the most walkers:

1st Place Team Bhagat, **2nd Place** Team Joey, **3rd Place** Team Schetter

Awards were also presented to the teams raising the most money in 2009:

1st Place Team Cimini, **2nd Place** Joanne’s A Ω, **3rd Place** Burl-Cam

Everyone enjoyed the food generously donated by **BK Foods** in Philadelphia, PA, and **Bernie’s Pretzels** of Aldan, PA. They also had fun taking a chance at winning one of the many raffle items. This year’s top prizes were day passes to **Disney World** in Orlando, Florida.

We were honored to hold this year’s walk in memory of two vital, accomplished women, **Jeanne Quarto and Bernadette Cunningham**, who lost their battle with scleroderma, but felt strongly that their families continue to fight to find a cure for this terrible disease.

We were also pleased to have a representative from **Congressman Joe Sestak’s office**, Kathy Do, read a letter from the Congressman supporting the SFDV and recognizing the accomplishments of the Scleroderma Foundation and its chapters, as well the national effort to improve healthcare and support research towards finding a cure for scleroderma.

We are grateful to our 2010 sponsors:

Actelion Pharmaceuticals
BK Enterprises
Healthmark Foot and Ankle
Saul Ewing LLC

We would also like to recognize the substantial support of our fabulous DJ and announcer, **Charlie Danelutt** from **IMS Audio Visual**, **Scott Ritchie** of **Ocean Trophies** for the beautiful award plaques, and **Navneet Verma and the Bhagat family** for organizing and providing team and walk photos.

As always our volunteers are at the core of this event and make everything – I mean EVERYTHING – happen. They continue to step up and take ownership of the Philadelphia Walk. They are an absolute Dream Team....we are so grateful. Thank you.

More photos from the 2010 Philadelphia Walk are available at [snapfish.com](http://www2.snapfish.com/snapfish/thumbnaillshare/AlbumID=3015181023/a=1056021023_1056021023/otsc=SHR/otsi=SALBlink/COBRAN D_NAME=snapfish/) at http://www2.snapfish.com/snapfish/thumbnaillshare/AlbumID=3015181023/a=1056021023_1056021023/otsc=SHR/otsi=SALBlink/COBRAN D_NAME=snapfish/

Philadelphia Walk October 10, 2010

Birthday Donation

Thank you to Abigail Gorrin for remembering her uncle Ken Dardes on her 13th Birthday. In lieu of gifts she requested that donations be made to the SFDV in his memory. Her friends and family responded generously and raised \$1800. We are honored to accept this donation and applaud Abigail for her giving spirit.

Gift

August and Lucy Negro

The Scleroderma Foundation Delaware Valley Chapter was honored to receive a generous donation from the Estate of August Negro who passed away in 2008. August wanted to honor the memory of his wife of over 50 years. Lucy Negro was diagnosed at age 18 with scleroderma. August knew of her diagnosis when they married. They lived a full life together along despite Lucy's struggle with her disease. August continued to take care of Lucy as her illness progressed allowing her days to be filled with the love and support of her family. Lucy and August were involved with scleroderma support groups and in helping others. Their gift will help the SFDV continue to undertake its mission of education, support, awareness, and research and honor the memory of August and Lucy Negro.

To view a commemorative video about the love story of August and Lucy Negro on You Tube go to <http://www.youtube.com/watch?v=YQ1WQ3Vkf5M> OR search for Scleroderma; A Love Story on Youtube.com

Thank you to our members of the SFDV. We appreciate your continued support!

Support Group Leaders Needed

We are always looking to expand our support groups into new areas.

Please contact our office if you are interested in becoming
a Support Group Leader.

Delaware

Southern DE Area

New Jersey

Cape May Area
New Brunswick Area
Toms River Area

Pennsylvania

Carlisle/Harrisburg Area
Lehigh Valley Area
Delaware County Area

We have started an e-mail support group for those patients and families that are not close to one of our existing support groups or those who would like to participate in addition to attending a support group. There is a weekly topic of discussion by email and everyone is free to comment or ask a question at any time. You can participate as little or as much as you like. If you are interested in being part of an email support group, please contact the office at 856-779-7225 or via e-mail at cferara@scleroderma.org.

Disclaimer: The Scleroderma Foundation in no way endorses any drugs or treatments reported in this newsletter or at SFDV sponsored meetings. Information is provided as a resource to be used with discretion. Because the manifestations and severity of scleroderma vary among individuals, personalized medical management is essential. Therefore, it is strongly recommended that all drugs and treatments be discussed with one's physician to assure proper evaluation and treatment.

MISSION STATEMENT

-  To help patients and their families cope with Scleroderma through mutual support programs, peer counseling, physician referrals and educational information.
-  To promote public awareness and education through patient and health professional seminars, literature and publicity campaigns.
-  To stimulate and support research to improve treatment and ultimately find the cause and cure of Scleroderma and related diseases.
