

Cooperstown 2011 Support Group Meetings

January 8th ~ February 12th ~ March 12 ~ April 9th
May 14th ~ June 5th ~ September 10th ~ October 8th
November 12th ~ December 10th

9:00 - 11:00 AM

Bassett Healthcare's Fieldstone Building: The fieldstone building adjacent to the hospital on One Atwell Road, Cooperstown NY 13326. The most convenient parking location is the lot at the intersection of Atwell Road and River Street. When you enter the main semicircle fieldstone entrance, the registration desk is past the information desk straight across the hallway – they will direct you to the right meeting room location.

Doubleday Cafe: 93 Main Street, Cooperstown, NY 13326
(Please contact leaders before meeting for location)

Greetings!

We'd like to take this opportunity to extend a heartfelt "Thank You" to those who attended our meetings in 2010. Your time and contributions help to make each session a success.

We are eager to see each of you. It's going to be an exciting year for our members. We are planning new topics to discuss, great speakers, and catching up on what's new with each of you.

We look forward to seeing you all soon.

It's a great opportunity to meet old friends and make new ones.

Let's talk, learn and have vibrant conversations.

Special Attention

To help save money and time, and keep us green, send an email to sdtristate@scleroderma.org (with your email address) so we can put you on our email reminder list.

If you have scleroderma...

you need not feel alone!

Our Cooperstown Support Group Offers:

- Mutual support to people with scleroderma
- An opportunity to talk with others who have gone through similar health challenges
- A chance to share experiences, practical suggestions and ways of coping
- A welcome place to get information and learn from others in a warm and caring atmosphere
- Educational information provided by the Scleroderma Foundation

The mission of the Scleroderma Foundation Tri-State, Inc. Chapter is three fold:

To provide educational and emotional support to people with scleroderma and their families; to stimulate and support research designed to identify the cause and cure of scleroderma as well as improve methods of treatment and; to enhance the public's awareness of this disease.

Your Support Is Needed!
