It's a great opportunity to meet old friends and make new ones.

Let's talk, learn and have vibrant conversations.

If you have scleroderma...

you need not feel alone!

Our Support Group Offers:

- Mutual support to people with scleroderma
- An opportunity to talk with others who have gone through similar health challenges
- A chance to share experiences, practical suggestions and ways of coping
- A welcome place to get information and learn from others in a warm and caring atmosphere
- Educational information provided by the Scleroderma Foundation

The mission of the Scleroderma Foundation Tri-State, Inc. Chapter is three fold:

To provide educational and emotional support to people with scleroderma and their families; to stimulate and support research designed to identify the cause and cure of scleroderma as well as improve methods of treatment and; to enhance the public's awareness of this disease.
