Watch the Google+ Hangout - Ask Stanford Med: A Focus On Scleroderma

To foster conversation about scleroderma, Stanford Medicine partnered with the Scleroderma Foundation and Inspire last week for a Google+ Hangout about scleroderma research and progress being made to enhance patients' quality of life. Among the panel of special guests were Lorinda Chung, MD, director of the Scleroderma

Center and co-director of the Multidisciplinary Rheumatologic Dermatology Clinic at Stanford, and Karen Gottesman, patient services director for the Scleroderma Foundation of Southern California.

The full Google+ Hangout is available to watch on Youtube, as well as a written summary on the Stamford.edu blog.
