2020 Stepping Out To Cure

SCLERODERMA Philly Metro WALK

Sunday, September 13, 2020 @ Cooper River Park in New Jersey

The Scleroderma Foundation of the Delaware Valley Chapter, part of the National Scleroderma Foundation, is a 501(c)(3) non-profit organization serving patients and families impacted by scleroderma, a life-threatening autoimmune disease, in eastern Pennsylvania, southern/central New Jersey and Delaware. Each year the chapter holds fundraising walks within the region; the next walk is scheduled for Sunday, September 13th, 2020 in Pennsauken, NJ. The success of these walks is credited largely to donations from our sponsors, who lend their names and financial support to the event.

The money raised goes toward support, education and research in the hopes of changing the future for individuals and families living with scleroderma.
