

How the Card Works

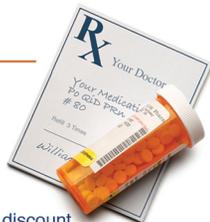

It's really quite simple.

There is no registration or enrollment cost. You can cut out the card below or obtain a plastic one.

Everytime you get a prescription filled give the card to the pharmacist. He or she will check on the discount and let you know how much you save.

You can share the card with your family members and friends. A copy of the card (both sides) works as well as the original.

NeedyMeds Drug Discount Card
The Scleroderma Foundation

This is a drug discount program, not an insurance plan.

Common Questions

Can you track my prescriptions?

No. All the cards issued by the clinic have the same identification numbers. There is no way to track anything about you.

Can I share my card with family members and friends?

Yes - we encourage it. Anyone can use the card. They don't have to be patients of the clinic.

How much will I save?

Savings vary from nothing on some medications to over 90%.

What drugs are covered?

There's the possibility of a discount on any drug. Your pharmacist can find the discount when you get your prescription filled.

Does the card work at every pharmacy?

The card is accepted at over 53,000 pharmacies. If your pharmacy doesn't participate, the pharmacist should call 1-866-921-7284 to sign up.

What if I still can't afford my medicine?

There are many programs that

help people who can't afford their medications. All the information on these programs plus many others is on the NeedyMeds website www.needymeds.org.

I don't use the Internet.

There are many places that offer free Internet access and help such as your library or senior center. You could also ask a friend or family member to help you.

Can I use the card if I have insurance?

You can't use the card if you are using insurance, Medicare, or Medicaid to pay for the medicine. However, you can use the card if the drug isn't covered by your insurance. You may find you save more by using the card rather than your insurance. Your pharmacist can help you find the best deal.

Can I get a discount on anything else besides prescription medications?

Yes. The card will work for some over-the-counter medications and even prescriptions you fill at the pharmacy for your pets.

A Few Words About the

The Gloucester Free Clinic was started in 2008 to meet the needs of Gloucester residents unable to afford the costs of seeing a doctor.

Each year we see 5000 patients providing comprehensive primary care services. Our fees are based on the patient's income and no one is turned away because they can't afford to pay.

We provide care for acute problems and routine healthcare. We see patients of all ages from newborns to senior citizens.

NeedyMeds Drug Discount Card
