## PARTICIPATE AS A VIRTUAL WALKER

If you have not yet registered for the Walk, you still have time to put a team together! And we also have the option for you to be a **Virtual Walker** this year!

Anyone can be a virtual walker! By registering as a virtual walker, you will be given a personal fundraising page to collect donations from family and friends.

Invite your family and friends to walk around your local park and have a picnic.

Run or walk a local race and use your fundraising page to collect donations to benefit scleroderma research and the chapter's programs. Or you can simply participate from the comfort of your home. The possibilities are endless!
