

**Name:** Chandra Y. Hardrick-Hamblin

**Professional Affiliation:** FedEx

**What is your direct relationship to the scleroderma community?** As a board member, I enjoy securing sponsorship through Detroit-area businesses and

recruiting volunteers for our events. Most notably, I enjoy supporting the Stampede Scleroderma, the premier event for local Scleroderma patients.

**Why have you chosen to serve as a member of the board for the Scleroderma**

**Foundation Michigan Chapter?** I was raised to believe in giving back to my community and to do what I can to help those who are not as fortunate as I am. I was looking for opportunities to do this type of giving when I became a board member. I realized a profound sense of joy and accomplishment by serving the Scleroderma Foundation Michigan Chapter.

**What else would you like us to know about you?** I am passionate about giving my time and talent to a worthy cause, such as the Scleroderma Foundation. I know with continued cooperation within the community, we will find a cure.
