

**Name:** Cynthia Peppers

**What is your direct relationship to the scleroderma community?**

I was diagnosed with systemic scleroderma in January 2019.

**Why have you chosen to serve as a member of the board for the Scleroderma Foundation Michigan Chapter?** I have

chosen to serve as a member of the board because I want to be involved. I want to know firsthand the effect that scleroderma can do. I also want to help raise awareness and do whatever I can to help enlarge our mission.

**What else would you like us to know about you?** I'm, by nature, an easy-going person, easy to get along with and compassionate. I'm married with children and my grandson who is the love of my life. I consider myself a spiritual person with a strong belief in Jesus Christ my lord.
