ABOUT FOOD FIGHT

The Scleroderma Foundation Rocky Mountain Chapter is proud to present the 6th annual Food Fight competition. This premier philanthropic event offers food lovers and foundation supporters the opportunity to mingle with distinguished chefs and bartenders from Denver's most beloved establishments. Guests will get to be a food critic for the evening enjoying delectable bites and innovative cocktails then casting their vote for best savory, sweet, and sip. Proceeds raised at this event will be used to provide educational and emotional support for patients with scleroderma, promote awareness of the disease, and fund research to find a cure.

FACTS ABOUT SCLERODERMA

- "Sclero" means hard and "derma" means skin. A hard word and an even harder disease to be diagnosed with.
- Hardening skin is just one of many symptoms. Stiff joints, digestive issues, lung scarring and kidney failure-all can result.
- Scleroderma affects 300,000 Americans yet few people have heard of it.
- Medications can sometimes help slow progression; but there is no cure.
