What is your direct relationship to the scleroderma community? I did not have a direct relationship to the Scleroderma Community until now. I heard about a

friend's Mother with this disease and I felt moved by her story. It created a desire in me to help! Today, I am honored to be there for the Scleroderma community and help in any way possible.

Why have you chosen to serve as a member of the board for the Scleroderma

Foundation Michigan Chapter? I am honored to be a member of the

Scleroderma Foundation because I want to help. I want to help our community through creating awareness, providing resources, and really just be there for our community. I think this organization has great leadership and a fantastic mission and I happy to play a part in helping.
