

The Scleroderma Foundation Michigan Chapter is no different from any other nonprofit organization in the sense that its success is dependent upon members, volunteers, and donors. SFMC so deeply appreciates any contribution to facilitate research; programs and services. A fantastic way to contribute is to host a third-party event.

Third-party events are wonderfully helpful to furthering the mission of the Scleroderma Foundation. During these events, is a chance to raise awareness about scleroderma. While at the event, the host has an amazing opportunity to educate the public; raise funds to support the programs and services offered to the scleroderma community, as well as raise funds for research to find a cure. To top it all off, these events are a great way to connect with friends, have fun, and do something amazing for someone you love!

There are many ways to raise money for your SFMC donation. Of course, you can easily adjust any fundraiser to fit your liking. Below is a list of fundraising ideas. Make sure to select a fundraiser that you know you will enjoy hosting and attending. Remember, it is a FUNdraiser! Third—party events are meant to be enjoyed!

Every fundraiser makes a tremendous difference - whether big or small! For temporary use of the SFMC logo, please call: 248-595-8526 or email MIchapter@scleroderma.org.

SFMC staff is here to help you!
